Women should find new prospects

Women in the fire should concentrate on prevention activity said Chupriyan

7 _New members were presented – Romania, Finland, Japan
Toshifumi Akimoto told

We agree that women play an important role in educating children. Yet, in Japan the number of women in fire fighting is increasing, they do the same work as men. We should create more jobs and opportunities for women. In many countries women do the same work as men, but now we have realized that there are countries where women can't. Some women are able to do the same work as men and we have to create this opportunity for them!

8. Vice President o CTIF: Marketa STRZINKOVA - Czech Republic greeted the Working group participants too

9.Ruzica Belanovich from Serbia was elected as vice – chair of WOMEN IN THE FIRE AND RESCUE SERVICE working group

The meeting decided that we will issue materials about outstanding women in the fire of different countries. This proposal made Tatiana Eremina .All materials should be collected to the end of the 2012. New participants should prepare presentations to the next meeting

9. All members of the working group should prepare basic analytical statistics on female participation in fire and rescue services

10. All ideas on our future work should be sending to chief

11. The next meeting will be in Belgrade, Serbia.

All details the host should send to all participants till 1st of January 2013
